PREFACE

It gives me immense pleasure to present the Self-Study Report of our college to the National Assessment and Accreditation Council (NAAC), Bangalore for Re-accreditation.

Our Internal Quality Assurance Cell implemented diversified activities to address the various quality related issues during the past five years. The college complied with almost every recommendation made by the Peer Team at the time of accreditation in 2004 in a planned manner. We are trying sincerely to reach the world of excellence by improvising our innate qualities, adopting innovative ideas, acquiring new skills, implementing new techniques and better understanding of our strengths and weaknesses. Integrated efforts and positive approach will lead us towards the '*Total Quality*', our ultimate destination.

This report is the synergic outcome of all the organs of my institute. It is rather difficult to quote the contribution of each and every organ of the college. I appreciate my staff for this collaborative and collective venture with the open heart. I hope and believe that the NAAC will also appraise and justify our noble endeavor.
