6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

As per guideline of P.A.H.Solapur University, Solapur, UGC and State Government the college evaluate the performance of teaching staff on the basis of the prescribed format entitled 'Performance Based Appraisal System (PBAS)' which has the following parameters:

1. Teaching, Learning and Evaluation related activities.
2. Co-curricular, Extension and Professional Development related activities.
3. Research and Academic Contribution.

The information regarding the above parameters is collected from teachers by circulating printed PBAS forms. Then, IQAC committee assesses the data with required supportive documents submitted by each faculty. The PBAS scores are determined by the IQAC committee unanimously. In teaching and learning process, the performances of the teacher is evaluated according to his/her participation in preparation of annual teaching plan, use of ICT, Internet etc. to impart knowledge to the students. Also the teacher's active participation in enrichment of syllabus and use of participatory and innovative learning methodologies, along with participation in curricula designing is taken into consideration.

Moreover, the teachers are also assessed on the basis of their participation in UGC organized Orientation, Refresher and Short Term Course as well as teachers participation in Examination duties. Besides, the teachers are also evaluated on the basis of their participation in student related co-curricular activities. The teachers are supposed to conduct the activities such as seminars for

the students, organizing study tours. It is also essential that teachers should participate in student counseling regarding personality development, guidance for competitive examination etc. The PBAS system also evaluates the teachers for their participation and organization in extension activities, cultural activities, participation in academic and administrative committee as a chairman and new members of the committees. In addition to this, the teachers are also evaluated by their research contribution in the form of publishing and presenting of research papers in various National/International journals and conferences, seminars and symposia respectively. Teachers participation in Reference and Text Books writing, his/her contribution in the form of caring out major and minor research project and being Research Guide of Ph.D. students and his/her status as visiting faculty in various colleges are taken into consideration to evaluate his academic performance.

For the Non-teaching staff, there performance appraisal is done through their 'Confidential Repot' prepared by the Principal. On the basis of these reports, the non-teaching staff members receive promotions in their service as per rules of the Government and institution.

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

Our college always encourage student centric learning through various methods such as brain storming, group discussion, quiz competition, presentation in participative learning and problem solving methodologies. Regular participative activities viz., group discussion, educational tours, seminars etc. are organized in the college and the student actively participate in these activities within and outside college. Students are given class assignments for focusing on self study and to encourage independent learning. Different students support system are available in the college like library, reading room, ICT based classrooms. Students are trained for basic life skills such as First-Aid, Self defence, Personal hygiene and sanitation. Beyond the classroom college gives high importance to all round development of students through extra-curricular, co-curricular and field based activities. The objective of student centered activities outside the classroom is to engaged student as much as possible in learning procedures that required more than reading or viewing the material. These activities play an integral role in allowing a switch over from absorption of information while learning during academic session and creating a safe space to relax, interact, collaborate, think out of the box, nurture their talents and leadership capabilities. To encourage the construction in various activities, the college has framed many committees including cultural committee, sports committee, career counseling cell etc.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

Our college is affiliated to Punyashlok Ahilyadevi Holkar Solapur University, Solapur. So, we have implemented the examination pattern of our university with 40 marks theory and 10 marks for internal evaluation. For the internal evaluation we have conducted oral on google-meet. The college follows all internal assessment practices as per university norms. As majority number of students belongs to economically and socially backward sections, the students have to work and study simultaneously therefore the college sees a relatively low attendance of students. Students are also evaluated on the basis of their responses in the lectures, There incentive participating of academic activities. There is also an online system of entering internal marks before the examinations starts. Internal marks of various subjects are collected through subject teacher and forwarded to the examination committee. These marks are, and then submitted online through examination committee to the university.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The higher education department gives sufficient freedom to the Principal, who is the academic head of the institution to function in order to fulfill the vision and mission of the institution. Academic responsibilities are fairly divided among all the staff members. Committees are appointed for the various academic and co-curricular activities to be conducted in the course of the academic year. The list of committees is displayed at the beginning of the year on the staff notice board. This ensures transference in policy execution. The responsibilities are communicated to the faculty members through regular staff meetings. The Principal of the college holds regular meetings with the teaching and non-teaching staff. In these meetings, various issues are taken up for discussion before arriving at a final decision. The Heads of the departments monitor the functioning of the various departments. The participative decision making ensures total participation of all the people concerned. The office administrative of the college is headed by the Principal under whom there are Head Clerk, Senior Clerk, Junior Clerk and other Class IV staff. Thus, the decentralization of departments and personnel of the institution helps in improving the quality of its education provisions. The administration is always open to the discussion with the teaching and non-teaching staff which, in turn, encourages the involvement of the staff for the improvement of effectiveness and efficiency of the institutional process.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

As per guideline of P.A.H.Solapur University,Solapur, UGC and State Government the college evaluate the performance of teaching staff on the basis of the prescribed format entitled 'Performance Based Appraisal System (PBAS)' which has the following

parameters:

1. Teaching, Learning and Evaluation related activities.
2. Co-curricular, Extension and Professional Development related activities.
3. Research and Academic Contribution.

The information regarding the above parameters is collected from teachers by circulating printed PBAS forms. Then, IQAC committee assesses the data with required supportive documents submitted by each faculty. The PBAS scores are determined by the IQAC committee unanimously. In teaching and learning process, the performances of the teacher is evaluated according to his/her participation in preparation of annual teaching plan, use of ICT, Internet etc. to impart knowledge to the students. Also the teacher's active participation in enrichment of syllabus and use of participatory and innovative learning methodologies, along with participation in curricula designing is taken into consideration.

Moreover, the teachers are also assessed on the basis of their participation in UGC organized Orientation, Refresher and Short Term Course as well as teachers participation in Examination duties. Besides, the teachers are also evaluated on the basis of their participation in student related co-curricular activities. The teachers are supposed to conduct the activities such as seminars for the students, organizing study tours. It is also essential that teachers should participate in student counseling regarding personality development, guidance for competitive examination etc. The PBAS system also evaluates the teachers for their participation and organization in extension activities, cultural activities, participation in academic and administrative committee as a chairman and new members of the committees. In addition to this, the teachers are also evaluated by their research contribution in the form of publishing and presenting of research papers in various National/International journals and conferences, seminars and symposia respectively. Teachers participation in Reference and Text Books writing, his/her contribution in the form of caring out major and minor research project and being Research Guide of Ph.D. students and his/her status as visiting faculty in various colleges are taken into consideration to evaluate his academic performance.

For the Non-teaching staff, there performance appraisal is done

through their 'Confidential Report' prepared by the Principal. On the basis of these reports, the non-teaching staff members receive promotions in their service as per rules of the Government and institution.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The institution reviews its teaching learning process, structure and methodologies of operations and learning outcomes at periodic intervals. Some of the activities of IQAC in this regard are:

1. Students feedback on faculty, teaching learning process and evaluation- Students feedback significantly shows the actual quality of teaching learning process. The students feedback is conducted as per the various norms such as all the students are allowed to give feedback on faculty, teaching learning process and evaluation so that actual picture is ascertained. After evaluating the feedback from students, the teacher is evaluated with low performances is instructed accordingly. The whole process is being operated through IQAC and no other faculty member involved at any stage.

2. Use of ICT in teaching and learning process - The IQAC has been encouraging teachers to achieve 'Blended Learning' which refers to learning approach that is the mixture of traditional classroom practice and the use of e-learning resources. The college has purchased the ICT tools, including latest configuration for PC's and Laptop and Projectors.

i. Internet- for the quick internet access the broadband connection has been taken by the college. Our college has Free Wi-Fi facility to the teachers as well as students. Apart from that, teachers refer various education sites such as Wikipedia, Online dictionaries, coaching websites for effective teaching learning process.

ii. Google-Meet - Teachers also make use of google-meet in order to provide instructions, online lectures and educational e-contents to the students.

iii. PowerPoint Presentation - Our so many faculty members make use of PPT's for imparting enhanced learning experience.

iv. E-Books, Videos and Films- Screening of films based on novels and plays prescribed in syllabus is organized to provide Audio-Visual experience to students. E-books are shared with students as the requirement.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

TITLE OF PRACTICE - 01 (ONE) Organized One day International Webinar

Goal

1. Get Motivation in the subject
2. Improve knowledge of students and faculty members.
3. Make the student refer journals, books and Internet for details about the subject.
4. Faculty Development Programme.

The context

During the course of study and classroom teaching of various syllabuses, the students and the teachers came across the knowledge about the research, great contribution of the authors in literature. That is why our Hindi Department decided to organize One Day International Webinar in our college. So all the faculty members and the students belong to the department of Hindi do the work related to the webinar. There were 623 delegates participated in same Webinar. The Webinar was organized

with the collaboration of the Department of Hindi and Bohoal Shodh Manjusha (Bivani,Hariyana) on 22.06.2021.

The Practice

Our college has organized One Day International Webinar with the collaboration of the Department of Hindi and Bohoal Shodh Manjusha (Bivani,Hariyana) on 22.06.2021.

Evidence of Success

All the students and faculty members belong to the Department of Hindi done the work related to the Webinar such as online registration, online certificates, taking snap shots etc. Also the coordinator of IQAC has contributed to the same Webinar. There were 623 delegates participate in the country as well as abroad. We have published an international peer reviewed and refereed multidisciplinary and multiple languages research journal through the book. There were 118 Research Papers published with ISSN No.: 2395-7115 and Impact factor 3.811.

Problem encountered and resources required

The main obstacle of our college is finance. The attitude of the administration is favorable to pursue this quality enhancement and extension activities. Because of the financial problem we have collaborate the other society. All the expenditure has been done with the collection of Rs.700/- per delegate.

TITLE OF PRACTICE - 02 (TWO) Use of ICT in Teaching and Learning Process. Goal

The practice in aimed at helping the students to -

3. To make the students and faculty members for referring latest tools, journals, books and internet for details about the topic.
4. To get motivation to the faculty members as well as students in the subject.
5. To make the students as well as faculty members for accept the

new challenges in the global.

The context

During the course of study and classroom teaching on the various syllabi, the students came across the various challenges in the technologies. Twenty first century is an explosion of information and technology. With this slogan and due to the pandemic situation of Covid-19 our faculty members uses ICT tools for their presentation. Such as Projector, Google-Meet, Video's, PowerPoint presentation and WhatsApp group. Every student enables to learn about the ICT tools for the best practices.

The Practice

Our college has not only built-up but also prepared two digital classrooms with ICT facilities. Majority of the faculty members uses it regularly for their presentation. They practiced it for various purposes such as PPT, Slide shows, Video's etc. Due to pandemic situation of Covid-19 our faculty members made WhatsApp groups. They inform to the students about all the information through this group. Also our faculty members have been continually taking the online lectures on Google-Meet.

Evidence of Success

The college purchased two digital projectors worth Rs.95,700/- with UPS battery worth Rs.11,500/-

Annual online teaching report of all the faculty members.

Problem encountered and resources required

The main obstacle of our college is financial problem. This attitude of administration is favorable to pursue this quality enhancement and extension activity. Due to the lack of Non-Salary from the Government of Maharashtra, our college has not purchased another projector. But we are trying that if the donor is available, it will be purchased in short.

1 At least a sum of Rs.50,000/- for each projector, we will purchase it.

2. Finding donor for the ICT facility.
