Departmental Profile

It is my great Pleasure to present this introduction of the department of English. We can say that, in the rural as well as dam affected and rehabilitated area ours is one of the few colleges. In this area there was a lack of higher education. Because of it poor but bright student, particularly girls are remaining away from the higher education. By taking into consideration the demands of the parents and student for higher education, our college is established in 24 July, 1995.

The department of the English started since 2003. The results of the university examination are noteworthy since 2003 to up. There are lot of students topper and rankers in the examination. Our student Miss. Shweta Pandurang Pawar got the first rank at B.A.level in the university examination in 2019 – 20. She has also achieved 03 Gold Medals and 01 Cash Prize in special English. The alumni's are noteworthy of our department. So many students got job in State and Central Government. There are three faculty members working in the department. They are not only participated in seminars, conferences but also presented research papers. The college is located in the rural area till the strength of the students are sufficient, especially the strength of girls students are noteworthy. The department has run English Literary Association and it has purely non grant basis from 2003.
